

Testimony is the foundation of our personal faith.

Testimony is the foundation of evangelism.

... How strong is your foundation?

Testimony is the foundation of our personal faith as well as evangelism. If our foundation is weak, our attempts to evangelize or even grow in faith may prove to be unfruitful. Unfortunately, few know the theology underlying testimony; and sadly, when we “testify” we tend to speak about ourselves, God, church, and faith ... habitually forgetting Jesus in the process. The Church is in a crisis. Our foundation is weak. *The Testimony* series builds a strong foundation by revealing how testimony relates both to the Bible and to life.

- ARE YOU READY TO GO DEEPER INTO YOUR BIBLE?
- ARE YOU READY FOR INSIGHT AND CLARITY?
